Loker Summer Reading

Summer is a great time to read. We have composed a Summer Reading List which includes books to read to your children. Within that list is a section of easy readers that your child may enjoy. There is a second list which is a leveled list. You can pick books from this list that are at your child's reading level for them to read to you. You can use their Raz-Kids level as a guide or ask their teacher for a place to start. I have also attached a Kindergarten word list for your children to practice at home. The Wayland Library also has a fantastic reading program for the summer. You should definitely stop by and see what they have to offer. The library also has books on CD or play away books which are great for the car or even the beach. We hope you have a wonderful summer full of adventure both on vacation and through literature!

Best Regards,

Sarah Sontag

Loker Reading Specialist
