

March/April 2019

Grade 1:

What is a Pixel? We explored what a pixel is and created Pixel Art and we learned that animation contains many frames and created our own animated stories.

Grade 2:

Animation and Pixel Art was created by second grade students. Students got a chance to learn about Home Row and used DanceMat Typing to learn about the keys on the keyboard.

Grade 3:

Our focus for the rest of this month will be on All the Right Type. Students need to work on keeping their hands on the "homerow" and work on their accuracy and WPM.

Grade 4:

The Green Screen States project was a success!. Students did a great job creating their scripts, recording and editing their Green Screen projects.

Grade 5:

The Dash and Dot Challenge! Students created teams to get the robots to move a tin foil ball and push it into plastic cups. Students learned the programming and navigation needed to do this difficult challenge!
